

Tossing aside the thought of 'political correctness', and reminding ourselves of what the actual celebration of this wonderful Holiday is, please join me (Newsletter Editor), in wishing JESUS CHRIST a very Happy Birthday!

It's my prayer that each and every MAPCC member and your family enjoys a healthy, happy CHRISTmas season!

So with that in mind, and instead of the 'happy holiday' expression, let's each boldly express our faith and belief to others, in what the day really celebrates.... The birth of our Savior, Jesus Christ.

**MERRY
CHRISTMAS!**
