Fried chicken, beans, and so much more!

That's just a rain puddle, not the lake!

Food and fun!

Despite the rain, the annual club picnic was a success!

Approximately two dozen attended this year.

The shelter did it's job on this rainy day.

Conversations were had.

Games were played.

Pokeno anyone?

Hey, can I have some of that?

Posing for the camera

We have a winner!

It must be picture time

Lynn spies the camera

We hope everyone had a good time and will be able to return next year!

Bluetooth technology is named after Harald Blatand, a 10th-century viking king whose last name translates to 'Bluetooth.' Whether or not he had a literal blue tooth is debated, but he was renowned for peacefully bringing people from different lands together. The symbol on Bluetooth's logo is also Blatand's initials in ancient Runes.

The next club meeting date is August 21st, 2018 at:
Apple Barrel (at Sapp Bros.) 2608 S. 24th St. Council Bluffs, Iowa

Hope to see everyone at the next meeting.

Minutes of August 21, 2018 Meeting

President David Ladd called the meeting to order at 7:00 P.M. at Apple Barrel Restaurant in Council Bluffs, IA with 11 members present.

First Drawing

Lynn Fehr won the initial drawing for the \$10.00 check.

Minutes and Treasury Report

Treasurer May Alice Fehr gave the Treasury report. A motion was made to accept the report as read.

Old Business

On August 19th, we had the family club picnic at Lake Manawa State Park. All had a good time and great food despite the all day rains, as shelter #6 kept us from getting wet.

New Business

Mary Alice made a motion to have all dues due on January 1 for the next year. Those who pay in midterm will pay \$1.25 per month until the end of the year for a single membership and \$1.67 per month for a family membership. The motion was seconded and carried by the members.

The Christmas Family Party is set for December 9th, 2018 at New Horizon Presbyterian Church from 1pm to 5pm. There were some PC problems discussed by the members.

Demo

Bruce presented the demo using a flight simulator called X-plane. He demonstrated how it can be used as entertainment as well as how real it can be for learning how to fly a real airplane such as a Cessna 172.

In September Bruce will show Word-processing and Spreadsheet programs such as those found in LibreOffice which is free Software (very much like Microsoft Office).

Stick-Around Drawing

Stick around drawing was won by Bill Pennington. He divided \$12.00 with the Club.

Adjourned

With no further business the meeting was adjourned at 8:30 P.M.
